Is the Mansion Haunted?

Don't miss your chance to observe
first hand as we first learn how it is
possible for spirits to exist and
communicate with those of us still
in the physical world.

Then witness the live attempt to
capture those spirits on simple
equipment; learning how you can
do this on your own!

And complete the day as you
relax over a gourmet luncheon
while noted mediums bring through
messages from your departed loved
ones.

Forever Family Foundation is a non-profit,
non-sectarian organization that supports the
premise that life does not end with physical death,
further the understanding of Afterlife Science
and survival of consciousness,
and offers support to the bereaved.

Among the active members of the organization
and the executive board are scientists, researchers,
medical doctors, philosophers and educators
who have devoted substantial parts of their careers
to the investigation of the survival hypothesis - an
existence beyond this physical world.
