### **Doreen Molloy Bio...**

Doreen Molloy is the author of *Proof Positive – Metaphysical Wisdom*, and has a private practice in Hudson County, New Jersey as a psychic reader and spiritual medium. She was also Lab Certified through the University of Arizona's VERITAS Research Program, where she participated in Mediumship communication and survival of consciousness studies for nearly 5 years under the guidance of Gary E. Schwartz, Ph.D., author of, *The Afterlife Experiments* and *The Truth about Medium*. Doreen is currently a Level 3 Research Medium at the Windbridge Institute. She is also on the Medium's Advisory board for both the Windbridge Institute and the Forever Family Foundation in NY. Through her work, Doreen helps others reconnect with their loved ones in the afterlife, an area she feels contributes not only to "healing the spirit of those left behind," but also to the overall enlightenment of humanity.

Doreen's abilities include clairvoyance (clear seeing), clairaudience (clear hearing), clairsentience (clear feeling) and psychometry (receiving psychic impressions from holding an object or photo); she is also proficient in the art of the Tarot. Her commitment is to provide others with insight and direction so that they may make the best decisions possible and achieve an authentic sense of well being, happiness and spiritual growth. In addition to providing metaphysical insight, Doreen Molloy is also a Certified Grief † Recovery<sup>®</sup> Specialist and is pursuing a degree in Metaphysics.

Doreen has a straightforward style when explaining distinctions about psychic phenomena; during her classes on Psychic and Mediumship Development, she can easily clear up many of the misconceptions and fears that most people commonly accept as facts. She was also a columnist for colleague and good friend, John Edward, from the popular television show, *Cross Country with John Edward* [currently on the WE network]. In addition to sharing the stage with John at several venues, Doreen authored a regular column in his quarterly newsletter, *Evolve* during 2006-2007. She is currently writing her second book... and a preview of this is available at her web site.
