Rebecca Anne has been intuitive her whole life, although she has been working as a psychic medium for the past 13 years connecting for clients worldwide. The knowledge of the afterlife has been a fact she has faced, experienced and enjoyed and her mediumship work has brought her joy while bringing healing to others. This is why she believes being a medium is a beautiful and spiritually fulfilling experience.

Rebecca Anne is a wife and mother of 3, is writing and focusing on furthering her education believing “acceptance through knowledge leads to enlightenment.” She is an active volunteer for Forever Family Foundation, and most recently joined the ranks of the Forever Family Foundation Certified Mediums.

Rebecca Anne’s has authored articles in several magazines, including Qi magazine, The Door Opener, and Hartford Magazine, sharing her insight about spiritual topics such as communication through a medium, healing, and meditation. She has also been a guest on radio and television and holds certifications in a variety of energy healing techniques such as: Psychic Surgery, Reiki M/T, Emotional Freedom Technique (EFT), Shamanism, and Laying of the Hands.

Many clients come to see Rebecca Anne for Life & Spiritual Coaching as well as for mentoring others who have these same abilities. An important aspect of Rebecca Anne’s work involves prayer, meditation and visualization.

During a session with Rebecca Anne you may receive insight on a variety of topics such as love, work, money, family, etc. You may receive messages from those who are no longer with us in body. Many report receiving physical, mental and/or emotional healing. Whether it is knowledge or communication from a loved one who has crossed over, the information received is always with love and for everyone’s higher good. Communication with loved ones means there is communication that involves listening to and connecting directly with those who have died and now have consciousness living outside a physical body. The medium does not have control over who comes through, or if they come through at all, but when they do come in, it is with Love, Purpose and Pure Intention.
